## WHY REGISTER WITH A PARISH?

- It marks your commitment to be a continuous and active member.
- The pastor is better able to plan his ministry knowing the particular needs of the parish, parishioners, and their families.
- A parish is better equipped for ministry when it knows the accurate size of the flock.
- It allows you to highlight your gifts, interest, and needs, and how you might be of service to the community.

## WHAT IF I ATTEND OTHER PARISHES?

Pastors discourage "jumping" from one parish to another. It prevents you from building up a healthy relationship with a parish community. The pastor needs to know his parishioners and to count on you as a faithful member to be there "in good times and in bad." If you are registered with another parish and plan to register here, it would be a courtesy to let your former parish know.

## MUST I USE OFFERING ENVELOPES?

We want everyone to use the offering envelopes. Using your envelopes lets us know that you continue to be part of this parish community. With so many people coming and going, it's the only way the parish can keep track of its parishioners. By using the envelope, you are providing a good example to the person next to you, of the importance of giving - whether it be of our time, talent, or treasure.

*Hint: Keep you offering envelopes in the glove compartment of your car.*
